

Balloon Flight Passenger Information

Flights are weather permitting! **OUR FLIGHTS ARE WEATHER PERMITTING!**
Our time frame is not negotiable. Sunrise will not wait for you. Meeting time is 6am or earlier.

Passengers need to check in the night before your flight to check weather and meeting time.

You will not be cold in a **HOT** air balloon. Dress as if you were going for a walk or picnic.
You will be outdoors for several hours.

We start each flight at: **Two Bees and a Bud, You Pick Flower Farm 1549 200th Ave, New Richmond, WI 54017** Where we go from there will be determined by the weather conditions at that time. Your vehicle will be parked there till we return.

REMEMBER!

This is an out door sport! Balloons need large areas to launch and to land. Hot Air Balloons need open fields like Farms, Cattle Pastures and hay fields and large open and often UN-KEPT land. These areas can have tall grass, Cows, Bugs, Ants and many other items associated with large open areas. O did we say **OUT DOORS?..!!** Launch and landing areas are determined by the wind direction and speed. Today's Launch site could be tomorrows landing site or we may not return to that location for weeks. **SO...** Assume your shoes will be soaked and have mud all over them and your pants will be wet all the way up to your knees. **THEN** when we land somewhere nice you will be thrilled and... when you wear sandals or flip flops you will understand why we are all laughing. O did we say **OUT DOORS.?..!!!***

O an by the way. There are no snakes.. We put a sign up that says "No Snakes Allowed"
